local and in your business.

Choose Wisconsin's direct, preferred payment processor.

Transform your transactions with a modern, simple, and secure way to accept credit cards with simple pricing and live support.  
ClearPay is the right partner to take your business to the next level.

# More options. More control.

## Less red tape.

ClearPay can do much more than just help reduce fees for payment processing. Streamline your retail, keyed entry, mobile, wireless and internet payments for faster funding and detailed reporting. We provide tools your business needs for continued success.

### Equipment (true cost)

ClearPay, by request, can provide credit card processing equipment.

### Transparent pricing

Our cost plus program provides fixed markup over the true published cost of interchange.

### No contract

Rate and benefits provided speak for themselves.

### True next day funding

Our express merchant funding allows 10PM CST batch and still deposit your money the very next morning in your bank account. Weekend funding will also be deposited Monday morning.

### Rate guarantee

Rest assured, your rates over the cost of above interchange will never increase.

### Domestic support

Award winning 24/7 technical support and dedicated support agent for any other billing or support questions.
